

Max Granger (he/him)

Student | Columbia, SC

My goal is to use technology to predict weather and notify everyone as easily as possible.

Experience

April 2022 – August 2023

Team Lead at Panera Bread – Easley, SC

I was selected as a Team Lead at my store! I was responsible for assigning stations, delegating tasks, and helping wherever I was needed.

From this experience, I learned how to multi-task, and how to properly lead the team and keep everyone on task and focused.

May 2024 – Current

Baker/Dessert Finisher at the Cheesecake Factory – Greenville, SC

I work in the bakery plating and expediting cheesecake orders. We get incredibly busy, so this job has significantly improved my time management skills and attention to detail.

Education

2023 – 2027

University of South Carolina - Columbia

Bachelor of Science in Computer Science

GPA: 3.1

Minor: Geography

Receiver of Palmetto Fellows scholarship

Skills

- Design
- Leadership
- Microsoft Office – passed CPT 170 at Tri-County Technical College
